YEAR BOOK

**Morehead State Normal
and Teachers College
Morehead, Ky.**

VOL. II.

Dedication

To him who has been so untiring in his efforts and has given so unsparingly of his time that this volume might be a real treasure house of golden college-day memories, we, the staff of 1928, gratefully dedicate this second volume of the **Raconteur**

—Jay L. Chambers, our Dean and Sponsor of Life Certificate Class.

JAY L. CHAMBERS

Foreword

In order to perpetuate in our lives the beautiful scenes, the memorable events, the valued friendships of our college days; in order to provide a source whereby and wherein the receding and dimmed memories that come with old age might be freshened; and in order that we might in those latter days vividly live again those hours, days and years of youth and happiness, we hereby publish this nineteen hundred and twenty-eight edition of the Raconteur.

G. D. DOWNING
Head of Athletics

G. D. DOWNING

LL. B. University of Kentucky 1920.

Head of Athletics since 1924.

The ability to turn out winning teams under great difficulties has made Coach Downing one of the outstanding coaches of the State. He has brought to the mountain boys an outlet for athletic ability and competition from the best colleges of the State.

ATHLETIC COMMITTEE

Chairman Prof. S. H. McGuire, Prof. D. M. Holbrook, Mrs. Lucy Wilson Lane, Prof. John T. Kimbro, Prof. Henry C. Hagan, Coach G. D. Downing, Prof. T. A. Dulaney.

MRS. LUCY WILSON LANE

A. B. University of Kentucky 1924

Mrs. Lane has been in charge of the Physical Education Department since 1924. She has been one of the highlights in the advancement of physical education in Eastern Kentucky. She will have full charge of athletics for girls in the new Gym, having been one of the few outstanding women athletes in her college career.

MRS. LUCY WILSON LANE
Head of Physical Education
Department

The M Club

History of Club: The boys of last fall's football team decided to form an athletic club and held their first meeting in the office of Coach Downing on the fifth of January, 1928. They appointed Coach Downing, Prof. Roy E. Graves and Elwood Allen to draw up a constitution and to present at the next meeting which was held the following week. The boys voted to adopt the constitution and named the organization "THE M CLUB". Officers were elected and the club became one of the outstanding organizations on the campus. The club has tried to get in touch with all the old letter men of the school. They have been responsible for the place that athletics has taken in the annual and the publicity that has been given to the various teams. The club promotes the annual Homecoming Day and has prepared a wonderful program for that day. The president has complete charge of all activities and is chairman of all athletic committees and is responsible to the members of the Club.

Purpose of the Club: This organization is for the purpose of promoting athletics in the institution, and to keep former athletes in touch with the activities of the school.

1927 FOOTBALL SEASON

Ball Eagles	0	Morris Harvey College.....	77
Ball Eagles	18	Rio Grande College.....	12

Ball Eagles	6	Eastern Teachers	12
Ball Eagles	39	Union College	0
Ball Eagles	83	Broadus College	0

Coach Downing's Ball Eagles journeyed to West Virginia with an entire squad of injured men and played the game with only one regular in the lineup. The subs were inexperienced and had had very few days of training. On the following Saturday they invaded Ohio with a lineup of regulars and spoiled the Homecoming day for Rio Grande. The boys fought like demons to wipe out the defeat of the initial game. Eleven Ball Eagles walked on the field, while Rio Grande's band played "My Old Kentucky Home", rarin' to scratch and claw for the little school in the mountains. They next entertained Marshall Res. from Huntington, W. Va., and sent them on their way, a badly beaten and disillusioned squad of boys. The team was going like wildfire and ran helter-skelter through the Marshallites. Next, the "Game of the Season", with Eastern, our greatest rival in athletics, was played before a record crowd. Eastern came into town hailed as one of the best teams in the Commonwealth and was doped to battle the "Ball Eagles" into submission and run up a large score. The Morehead team was keyed to the highest pitch and was anxiously waiting to take Richmond or give it one good bombardment of football. The game started with Capt. Allen and his men kicking off to Capt. Moberly and his Eastern team. Eastern much to their surprise was forced to kick and to play a defensive game. Morehead was holding her own and fighting as only the Ball Eagles can, while Richmond was cracking under the onslaught of the Morehead backs. Eastern scored on a series of fake end runs, and Morehead returned the kickoff thirty yards and dashed around the ends to carry the ball within striking distance of scoring. The crowd went wild as Eastern was thrown off her feet and doing everything to stop the march, while the Ball Eagles were ripping through the much heralded line for repeated gains. Morehead scored and the game was tied as the half ended. Eastern scored on a freak play and was forced to play an unbecoming style of football to check the Morehead team. The rest of the game was played deep in the Eastern territory and Richmond got the breaks and the costly decisions. The Ball Eagles won a great moral victory and the respect of the entire State, while Eastern was content with victory and the spoils of an unforgettable football game. After the bombardment of Richmond the Ball Eagles broke up The Union by the tune of 39 to 0. The last game was with the highly touted team of Broadus College from Broadus, W. Va. The game was played in Ashland, Ky., and gave the tri-state fans a chance to see the "Mountain Boys" in action. The Ball Eagles closed their season with a great victory and returned home to await the call of another season by king football.

THE NEW GYMNASIUM

At the opening of the fall term the Morehead Teachers College will have one of the finest and most modern gymnasiums in the South. The building when completed will cost about \$200,000.00. It will contain every modern equipment for the demands of modern physical education. The gym will contain two basketball courts, physical education rooms, locker rooms, showers, swimming pool, training rooms, offices and will take care of approximately 1800 spectators.

1927 Football Team

ELWOOD ALLEN '25, '26, Captain '27—"Flossie The Scratcher"—Left End.

With enthusiasm, aggressiveness and ability to diagnose plays Flossie has been one of the best defensive line men that Morehead has ever had. Having played in all positions in the line he is a valuable man to his team. He proved his gameness in the Morris Harvey game.

LOUIS ELLIS '27, Captain Elect '28—"Lon Chaney, Jr."—Quarterback.

With his ability to punt, pass and carry the ball Lon struck terror into the hearts of his opponents by his true spirit and generalship at his position. He has won the honor of leading the Ball Eagles in 1928.

CLAUDE CLAYTON '24, '25, Captain '26, '27—"Black Karmie"—Right Halfback.

Noted for his ability to thrive on punishment, many times has he thrilled the crowd, when they expected him to be finished by coming back to rip through the opponents' line for the needed gain.

LAWRENCE FRALEY '27—"Silent Fraley"—Left Half.

Quiet in speech but loud in action. Lawrence playing his first football last fall, gave promise of being an A No. 1 football player with just a little more experience.

FRED HARDY '27—"Smiling Fred"—Halfback.

With his change of pace and ability to dodge, Hardy gives promise of great broken field running. If he continues to improve as he did last fall, "it won't be long now" until he ranks among the best.

RAY BATES '25, '26, '27—"Bad Biting Bates"—Left Guard.

Although Ray is short in stature he never came short in his playing the game. With a powerful body and conscientious training he was always ready to play his usual good game.

BILL MEYERS '27—"Big Bad Bill"—Center.

Will be long remembered for his accurate passing. Although Bill lacked the speed of many of his teammates he always had it figured out whereby the opponents would not gain through his position.

IKE TIERNEY '27—"Baby Ike"—Right Tackle.

Was tower of strength in line. With the use of his hands, speed and judgment he usually convinced the opponents to try the other side of the line.

CLYDE GRONE '27—"Sitch, The Shiftless"—Right Guard.

With lots of confidence and determination to back it up, Sitch made good at the guard position. He was one of the best tacklers on the team and was used to quite an advantage in running interference for the ball carriers.

RAY SORG '27—"Sour Sorgum"—Left Tackle.

In spite of his many complaints Sorg could be counted upon to fight hard and do his part. Especially did he shine on the defense.

CRAWFORD DAVIES '27—"Dumpy Dives"—Right End.

Little but loud. Noted for sneaking away from opponents and snagging passes. With Dumpy on the receiving end the Ellis-Davies combination often changed defeat to victory.

FRANK LAUGHLIN '27—"Petting Petter"—Left End.

Cool but determined. Although just medium in size, by his sure tackling Frank proved to be a good defensive end.

HARGIS ISON '27—"Pision Ivy"—Halfback.

Hargis is both conscientious and courageous in his playing. While playing his first football on the team this fall he showed a true spirit and some real ability to carry the ball.

JIMMIE ROBINSON '27—"The River Rat"—Tackle.

Game and aggressive Jimmie could be depended upon to give his best when called upon.

THOMAS PHIPPS '27—"Tom, The Toothless"—Fullback.

Tom has smeared many a play for the opponents by his terrific driving power on the defense. With his courageous enthusiasm he inspired his whole team to battle.

PLAYGROUND GROUP

This is one of the many classes devoted to the training of teachers to play health games and to give the rural school a health program. In these classes the teacher is taught the project method of teaching health and must undergo the experiences of the player and contestant. Ample space will be given in the new gym to this specific training. Games for the rural schools will be coached and played by the different classes.

THE 1927 BASEBALL SEASON

The Ball Eagles opened their season at home and easily defeated Union College of Barbourville, Ky., in a two game series. On April 22 they met the strong Murray State Normal of Murray, Ky., at Parkway Field in Louisville. The game was one of the best games ever played in Louisville, and at the end of nine innings found Morehead on top of a 2 to 1 score. The Ball Eagles scored their only runs in the eighth with two out, and Murray scored on two successive hits in the seventh. The following day found the two teams battling it out on the Male Hi ball park. The game was errorless and played in record time. Morehead was able to bunch three hits off the Murray pitchers and to win the game by the score of 2 to 1. The boys were rained out at Eastern and the game with Transy was forfeited to the Ball Eagles. Marshall College from Huntington came down and won a two game series but was forced to go 10 innings to take the final game. Due to the injuries and the condition of the team they lost to Eastern and to Transy in 10 inning struggles. They ended their season by a victory over the fast stepping Kentucky Wesleyan outfit.

Our 1927 Baseball Team

CARL HOGGE '25, '26, Captain '27—"Slew Foot Slew"—Second Base.

When it comes to playing second base Carl is just about the best, and when it comes to batting he is the Babe Ruth of Morehead.

LAWRENCE FRALEY '25, '26, '27, Captain Elect '28—"Silent Fraley"—Left Field.

Many times has Lawrence taken the life out of the opponents by grabbing a hit out of air to stop the scoring. He will be remembered by his wonderful throwing in the Murray game.

CLAUDE CLAYTON '24, '25, '26, '27—"Black Karmie"—Catcher.

A good receiver and a good throwing arm "Karmie" has made Morehead a No. 1 catcher.

OVA HANEY '27—"Brainless Boy"—Pitcher.

Haney is a young boy who really has "IT" when it comes to pitching baseball. Development of head and experience will put him in the big show.

ALLIE CARTER '25, '26, '27—"Duck"—Short Stop.

Although Duck stands low in uniform he is at the top in college baseball, and if he continues to improve he will be in a class of his own.

JACK LEWIS '24, '25, '26, '27—"Ossagge"—Third Base.

Jack was the life of the team and his playing at third in the Murray game was one of the high spots in the baseball season.

EDWARD MOORE '25, '26, '27—"Eddy"—Pitcher.

Eddy was the little guy who made the big boys lay down their stick. He showed Eastern how to pass the ball by them.

HOMER PORTER '27—"Potah"—Pitcher.

Win or lose Homer is always cool and deliberate and pitches good ball.

BILL SAMPLE '27—"Bilious Bill"—Right Field.

Although maybe a little out of his prime and crowded for time Bill has given us a sample of baseball that is not half bad.

BYRD PERRY '27—"Oh Bird"—First Base.

Byrd's usefulness in many positions made him very valuable to the team.

ROBERT DAY '27—"Rifkins"—First Base.

There are many days in baseball, but the cleverest of them all, is Bob on first.

JOHN ALLEN '24-'27—"Pumphandle"—Center Field.

With an eagle's eye he often pulled down a fly that almost made the opponents cry.

THE SPORT YEAR 1928-1929

AT

MOREHEAD TEACHERS COLLEGE, MOREHEAD, KENTUCKY

The sport year begins at the first of September with the football training camp which will be held on the Kentucky River or near some good camp. School opens the seventeenth of September and on the twenty-ninth the BALL EAGLES will get into action with Morris Harvey College of Barboursville, W. Va. The student body will have a chance to see their favorites in battle royal as the boys are anxious to wipe out last year's defeat. The pep club will start to sprinkle the pepper in the way of regular meetings and King Football will be the topic of discussion. The next week will find the Ball Eagles in Cincinnati locking horns with St. Xavier University for the first time. This great game will be followed by Marshall College, who will assemble at Ashland, Ky., the next Saturday for a pull at the proud feathers of the BALL EAGLES. TRY AND DO IT! Then comes the halt of ON U. OF K. RES. here at home. All force and pep will take Richmond as football history will be made for the blue and gold. The team goes to Lexington to claw a victory from proud old Transy. November the tenth will find the Morehead College football team at Barboursville, Ky., advancing on Union College with full speed. November the seventeenth finds the mighty BALL EAGLES host to Rio Grande College and former lettermen of the school will celebrate the first "HOMECOMING DAY". On this day Morehead will close her football season which in all probability will eclipse all previous years. As the football curtain is falling a new one will rise by the wonderful guidance of Coach Downing and Mrs. Lane, and by the name of basketball. The school will have its first teams of basketball and should go far in the collegiate circle of Kentucky, as this school has had many former high school stars this year and will draw many more as the sport is coming to the front in Eastern Kentucky. The teams will engage most of their rivals at home in order to give the student body a chance to follow the sport more closely. The College will more than likely sponsor the district and regional high school basketball tournament. These will be held the last of February and the first week of March. At the close of the basketball season the "BALL EAGLES" will take up track and baseball. There will be at least two track meets at home and more than two away from home. Morehead will start the drive for the championship baseball team of Kentucky about the first of April and end their season the last of May. They will encounter the best teams in the state and will journey out of the state to meet some of the fastest college clubs in West Virginia and Ohio. The team will be made up of veterans and will have the backing of the entire student body and Eastern Kentucky. The various teams will be feted and entertained by THE M CLUB at the close of the school year ending with THE M CLUB carnival on the last night.

ROWAN COUNTY CLUB

VOLLEYBALL CLUB

This club was reorganized in April, 1928. It is probably the youngest club in school but one of the most progressive: started with a membership of twelve and steadily increased to a membership of twenty. It has not only been one of the chief afternoon recreations of the members but has also furnished much amusement for the student body who are always present in great numbers to witness the spirited contests.

Unfortunately the club is not under the jurisdiction of the coach at the present but under the management of a group of well organized boys have the true spirit of real sportsmanship. However, we hope that in the future it will achieve greater success under the supervision of the coach as it is becoming one of the major sports of colleges.

The officers of the club for this year were:

BOYD COUNTY CLUB

The Boyd County Club has the largest membership this year that it has ever had. The members have taken a prominent part in all classroom as well as extra curricula activities.

Incidentally, this club has the distinction of having five of the winners in the popularity contest conducted by the annual staff.

Boyd County has one of the best school systems in the state. This is due to the co-operation of the teachers with their competent superintendent, L. C. Caldwell.

LOCALS SWAMP MARSHALL COLLEGE BY 18 to 6
 VARSITY WINS OVER RIO GRANDE COLLEGE, 19 to 7

LONG FORWARD PASS IN FIRST QUARTER GAVE MOREHEAD MEN FIRST SCORE; BIG CROWD OUT

Varsity football players were given a real thrill today when they overcame the odds and won against the Marshall College team. The game was played at 2:30 p.m. and a large crowd of spectators was present. The game was a hard fought one, but the Morehead team came out victorious in the first quarter with a long forward pass. The game continued with both teams trying to score, but the Morehead team was able to maintain their lead throughout the game. The final score was 18 to 6 in favor of Morehead.

Musketeers Here Saturday Evening

The Musketeers, a group of students, were seen in their period costumes on Saturday evening. They were standing in a line, holding their swords, and looking towards the camera. The costumes were very detailed, with long coats and hats. The background was dark, making the costumes stand out.

DOWNINGITES WIN THEIR FIRST COLLEGE GAME IN OHIO; MAKE TOUCHDOWN IN FIRST 3 MINUTES

The Downingites, a team from Downing College, won their first college game in Ohio. They made a touchdown in the first three minutes of the game. The game was played at 7:30 p.m. and a large crowd of spectators was present. The Downingites were able to maintain their lead throughout the game, and won by a score of 14 to 0.

Allie Young Hall Has All Comforts

Allie Young Hall, a new building on the campus, has all the comforts of a home. It has a large hall, a kitchen, and a bathroom. The hall is very bright and airy, and the furniture is very comfortable. The building is a great place to live, and it is a great addition to the campus.

Halloween Party Was Pretty Affair

The Halloween party was a pretty affair. It was held in the gymnasium, and a large crowd of students was present. There were many games and activities, and the party was a great success. The students had a lot of fun, and the party was a great addition to the school year.

The **More Head Light**, the official publication of the Morehead State Teachers College and Normal School, first saw light of day on October 4th, 1927. It is published bi-monthly for the purpose of acquainting the students with the school activities, and giving to prospective students information regarding the school.

The paper has steadily grown and the plans now being formulated for its publication during the coming year is evidence of its success and popularity. It has attracted attention and favorable comment by other student publications throughout the State, and has taken its position in the field of college newspapers.

The success of the **More Head Light** has been made possible by the splendid co-operation of the students, faculty and staff. The future of this infant publication rests with the students who will attend the school in 1928 and '29. We believe we are assured a bigger and better **MORE HEAD LIGHT**.

LONG FORWARD PASS IN FIRST QUARTER GAVE MOREHEAD MEN FIRST SCORE; BIG CROWD OUT

Football fans at Morehead were given a first-class show by their college. The home team won a convincing victory over the visiting Marshall College team. The game was played at the Morehead Normal School grounds. The home team scored 18 points to the visitor's 6. The game was a well-attended affair, and the crowd was very enthusiastic. The home team's victory was a great boost to their morale, and they are now looking forward to their next game.

Musketeers Here Saturday Evening

A group of musketeers, dressed in period costume, were seen here Saturday evening. They were part of a performance at the local theater. The costumes were very detailed, and the performance was well-received by the audience.

Professor Hollis decided to examine the mental ability of his Freshman class.

"Can you take your warm overcoats off?"

"Yes sir," they replied in concert.

"Can a bear take his overcoat off?"

Mr. Hill: "No sir."

Prof. Hollis: "Why not?"

Hill: "Because God alone knows where the buttons are."

Dorothy Hesson, the young saxophone artist, was considerably nettled because the other students had registered acute disapproval of his music. Bill Sample alone seemed to appreciate it, so the musician sought him out.

"Bill," she said, "aside from myself, you seem to be the only one here with the soul of a genuine artist. I have observed your attitude of appreciation and have especially noticed the way my music always brings that reminiscently wistful look to your eyes."

"Yeh, it sure does!" Bill replied. "That air saxophone of yours natchally does make me feel kinda homesick like. It's this-a-way, I growed up on a farm; and my old man, he kept mules."

SOUL FIRE

I'm a genius. In my attic
I compose my plays dramatic;
Even though they sound like static
They are not. (John Ridgway.)

I revel in all things ecstatic,
Write poems idiomatic;
People think I am high-hatic,
Oh, what rot!

My actions often seem erratic,
But really I am not rheumatic,
But just a little bit lymphatic,
Am I not?
